Flury

www.flury.in

Flury is a unique brand that creates fashionable and comfortable dog coats with a distinctive Indian twist. They have a solid dedication to aiding strays and work tirelessly to ensure that their products are not only stylish but also contribute to a noble cause.

Flury's dog coats are made from high-quality materials that are perfect for all weather conditions. They are designed to keep your furry friend comfortable and cozy, no matter what adventures they embark on.

What sets Flury apart is their commitment to helping animal rescues and strays. They have a deep love for dogs and recognize the importance of giving back to the community. In addition to their dedication to animal welfare, Flury also offers a 50% discount voucher on the purchase of their products. So not only do you get to dress your furry friend in style and comfort, but you also get to contribute to a noble cause. Every purchase made by you through the collaboration will help Flury donate to Bark India for animal welfare.
